Rainy Moving Day Entryway Setup Checklist

Use this page to prepare your questions and share a clear plan with the moving crew.

Before Arrival

Chosen Entrance

Record the door you intend to use and discuss the approach with your crew.

Floor Coverings

Confirm what the crew brings and describe surfaces at both addresses.

At the Door

Receiving Spot

Choose a place beside the route for label checks and packaging questions.

Entrance Contact

Name one available household contact and keep their number handy.

Small Kit

Set aside cloths, a marker and the room list away from the carrying route.
